THE WORLD OF HOBBIES

NEW

FALL 2024

Hi-Lo Nonfiction for Teens

The World of Hobbies introduces readers to different hobbies people pursue in their free time. Hobbies are done for personal enjoyment, but they can also serve as creative outlets and social activities. The series explores hobbies for a variety of interests, showing readers what each hobby is like, what tools and supplies are needed, and how they can get involved. Readers who like art, building things, computers, fashion, and nature will learn about multiple hobbies that match their interests. Each book includes a graphic that presents key information visually, source notes, and research to aid in further research.
